DNCC - Mobile App Requirements

Building Form

Add a new action after “Add Supervisory” — called **Update Building Info** .

- It should be **an exact replica of the website’s building form** .  Reference GitHub Resources

-  **Main Repository:**

https://github.com/dncc-imis/web_app

-  **Building Code Logic:**

https://github.com/dncc-imis/web_app/blob/master/public/js/functions.js

-  **Frontend Building Form:**

https://github.com/dncc-imis/web_app/tree/master/resources/views/building-info/buildings

-  **Containment Form + Logic:**

https://github.com/dncc-imis/web_app/tree/master/resources/views/fsm/containments
